REPRESENTATIVES OF FIVE GREAT POWERS MEET IN WASHINGTON, D. C.

To pave the way for a better understanding among nations through guarantee of unrestricted communication. The meeting is preliminary to the International Communications Conference, called by President Wilson. All nations including Germany, have been invited to the conference, but the United States, Great Britain, France, Italy and Japan are represented at the preliminary meeting. One of the important matters the preliminary meeting will take up is the division of the cables taken from Germany, by the treaty of Versailles.

BREAKING GROUND FOR TUNNEL BETWEEN NEW YORK AND JERSEY SHORE

Lieut.-Gov. Harry C. Walker, of New York City; Gov. Edward I. Edwards, of New Jersey, breaking the ground with their silver picks and shovels for the new vehicular tunnel which will connect New York with the Jersey shore, and which is expected to afford relief from traffic congestion and stop the tying-up of foodstuffs by strikes. Photo was made at western end of Canal Street, near Washington Street.

MERCIER, HERO PRELATE OF BELGIUM, RECEIVES PURSE OF 330,000 FRANCS

Cardinal Mercier, photographed in the garden of his residence at Malines, Belgium, with John F. Martin, of Wisconsin, and John J. Leddy, of Saskatoon, Canada, Supreme Directors of the Knights of Columbus, who presented him with a purse of 330,000 francs raised by the Knights of Columbus here for the rehabilitation of Belgium.

HENRIK IBSEN'S GRAND-DAUGHTER, NORWAY'S GREATEST BALLET DANCER

Mme. Lillebil is the most famous dancer in Scandinavia and a grand-daughter of the noted dramatist, Henrik Ibsen, is giving a series of classical and modern ballet dances in England. She is noted for her wonderful blue eyes. The dancer may visit America soon.

BRITISH PREMIER TRIES TO AVERT COAL MINERS STRIKE

David Lloyd George, the British premier, who is at odds with Sir Edward Grey and Mr. Herbert Asquith, the former premier over the settlement of the Irish question, conferred recently with coal mine owners and owners at the board of trade, London, England. Left to right, Bonar Law, Lloyd George, Sir Robert Horne arriving at the conference.

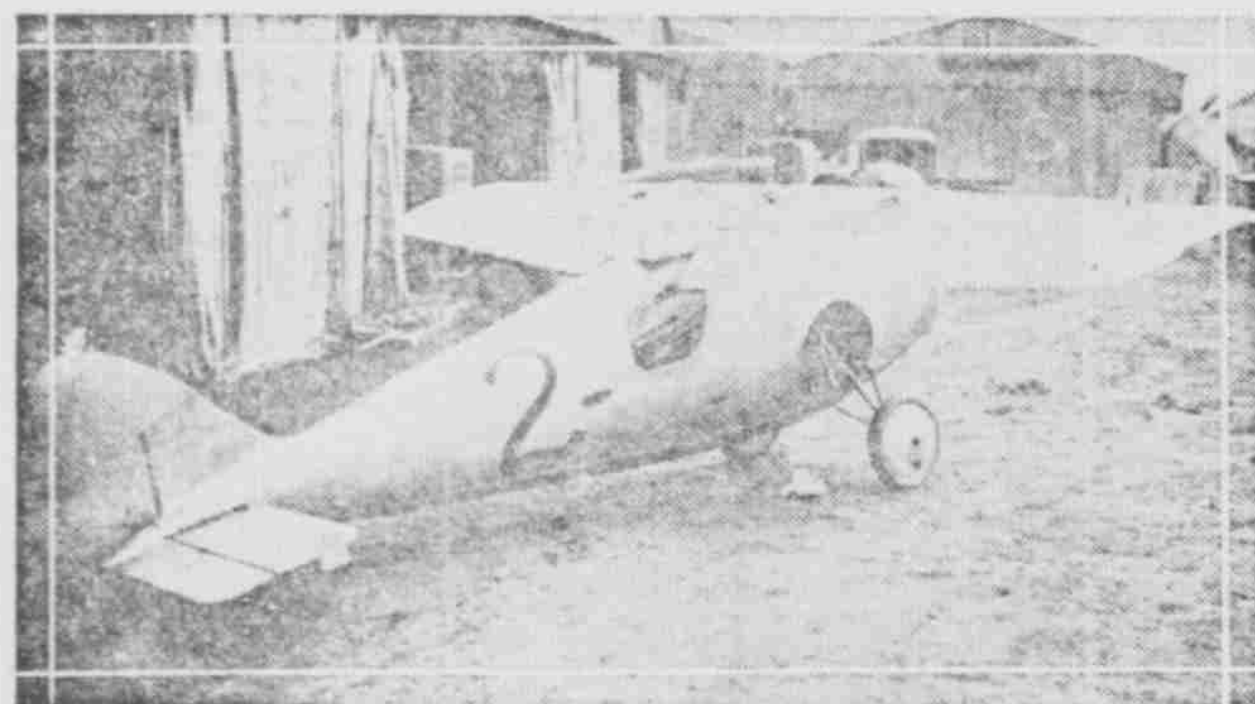

BRITISH WOMEN NOW TAKING TO FOOTBALL

Football, which before the war, was considered too serious for the fair sex has been taken up by the girls of Great Britain and games are held frequently. Photo shows one of the fullbacks at practice.

TO CROSS ENGLISH CHANNEL ON WATER CYCLE

Miss Zetta Hills, the noted water cyclist, who made a plucky attempt to cross the English Channel recently on a water cycle, will try again soon. She has improved the machine, a new model of which was launched at Richmond, England, a few days ago, being christened by the Mayor.

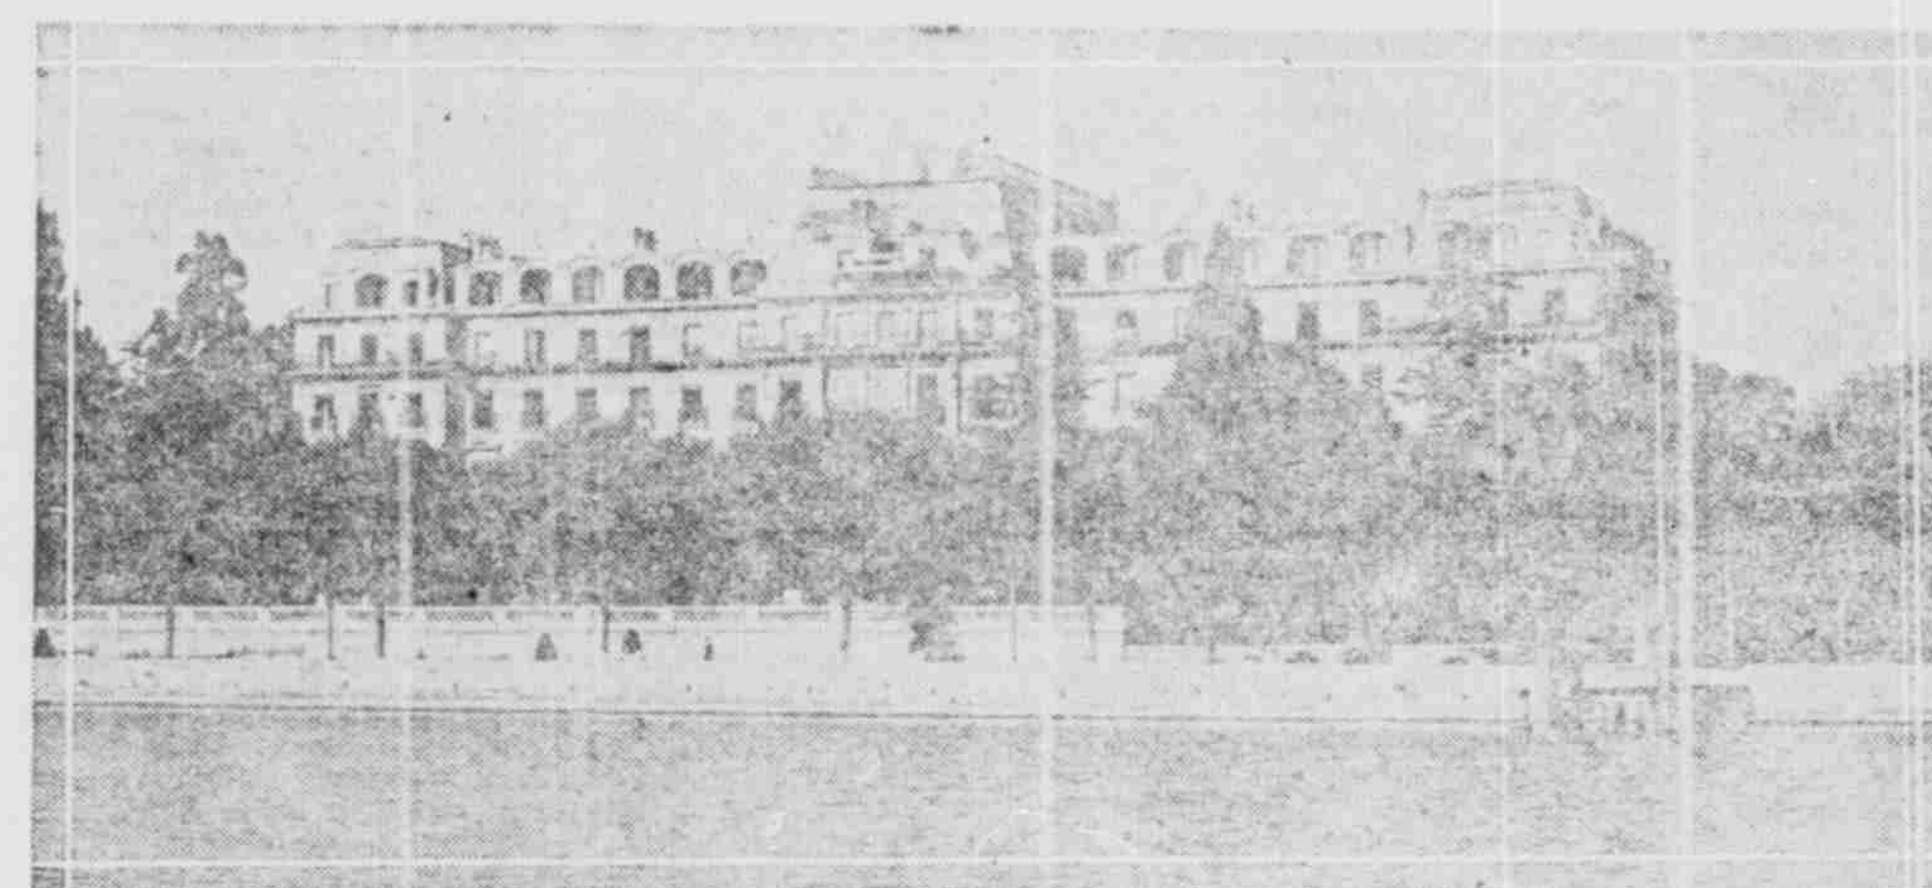

SMALLEST RACING AIRPLANE BUILT IN AMERICA

One of the machines entered in the recent airplane contest for the James Gordon Bennett cup at Etampes, France, was a Dayton-Wright monoplane of such a small supporting surface that the total wing space is only 137 square feet. This unusual type of aircraft has a 6-cylinder Mercedes engine and the high speed it develops makes it difficult to land.

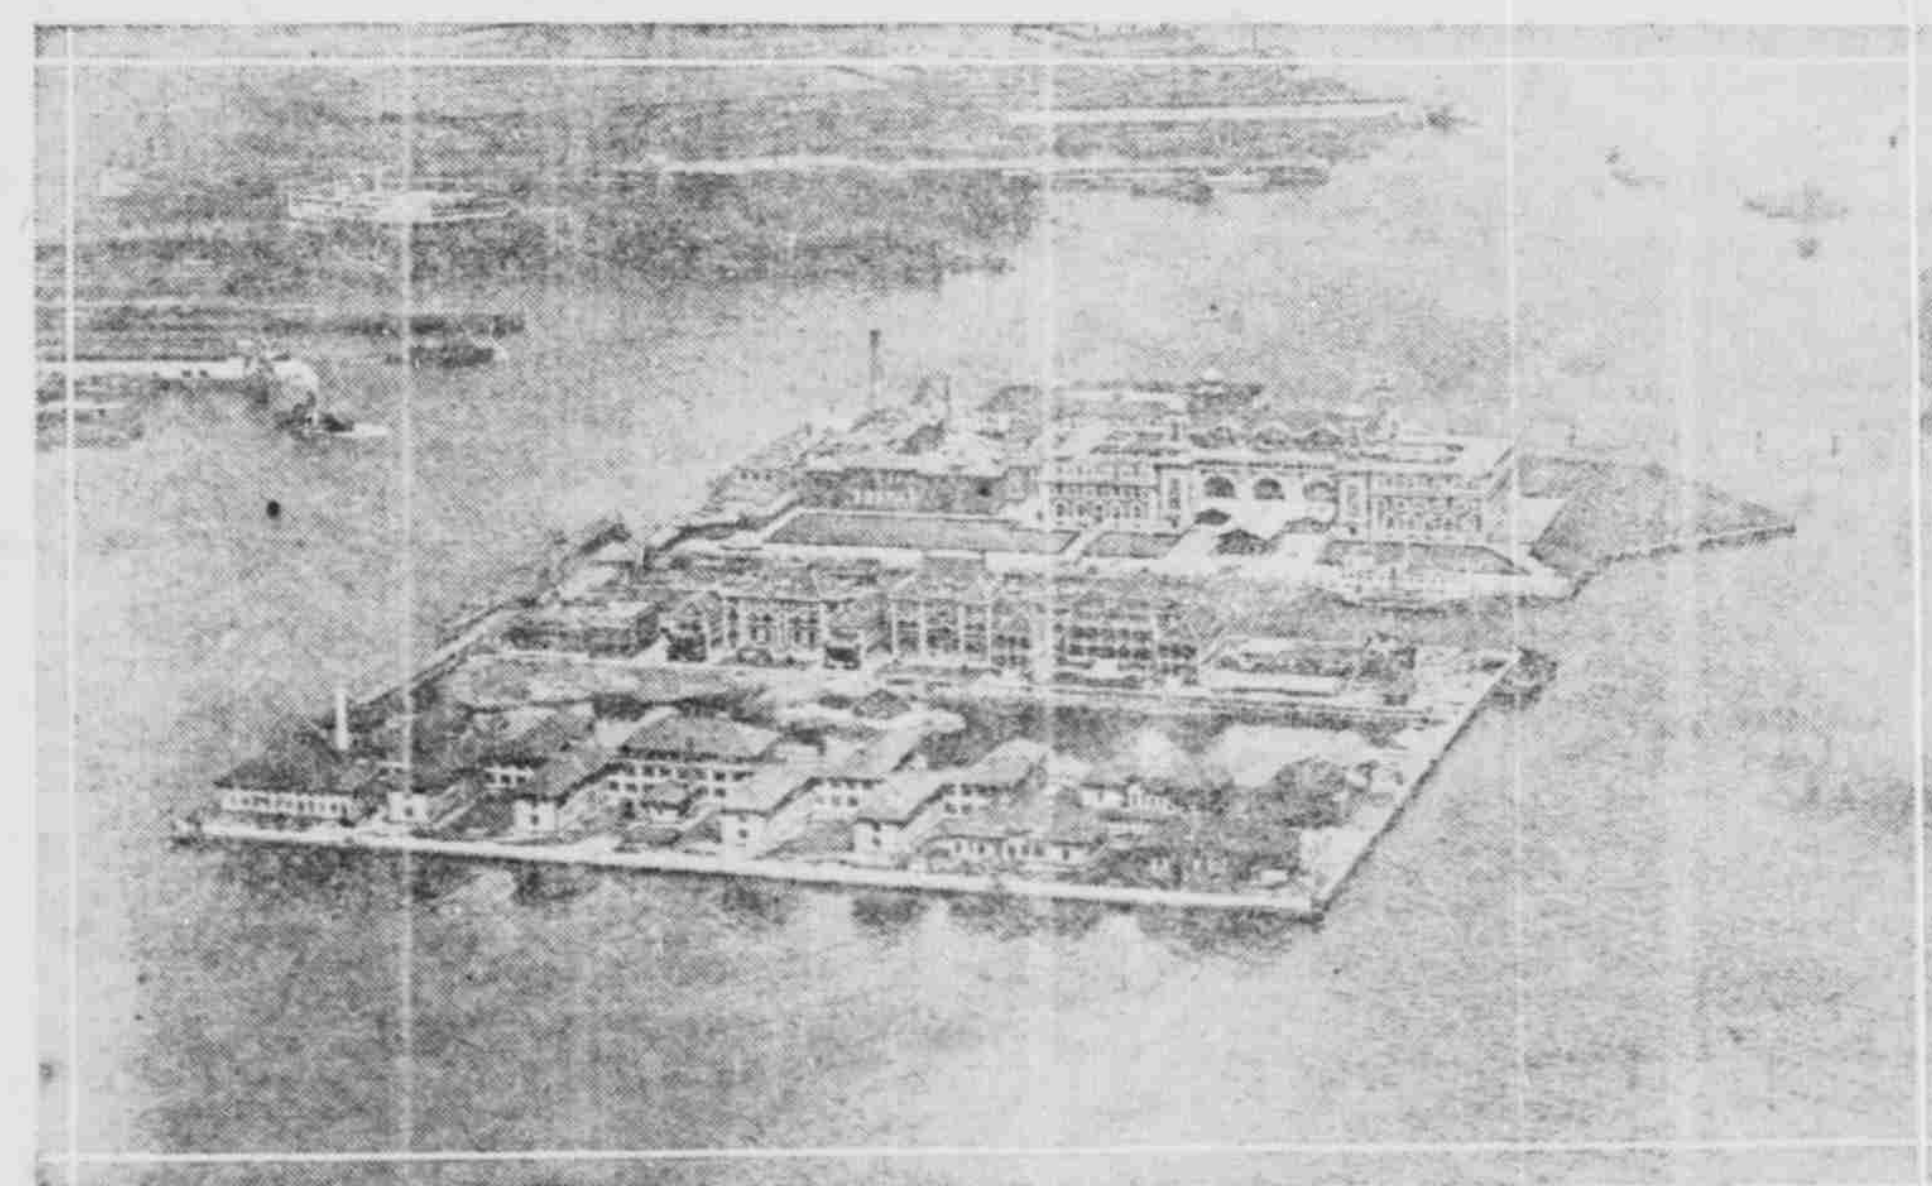

ROLLER SKATES FOR MESSENGER GIRLS

One of the large offices in New York has conceived the idea of having the messenger girls wear roller skates, carrying messages, orders, etc., about the office. The space contained on this floor is almost a square block, so time and money are saved by this unique adoption.

THE GENEVA HOME OF THE LEAGUE OF NATIONS

Showing the beautiful location of this stately building where the Assembly of the League of Nations will meet November 15th.

BIRD'S-EYE VIEW OF ELLIS ISLAND

Showing the entire island, where during the past year the government received thousands of immigrants. Under the regime of the new commissioner, Frederick A. Wallis, many reforms are being instituted. One of the latest and most important is the co-operation with the United States Labor Department to distribute the incoming aliens to the parts of the country where labor is most needed—especially to the farming districts.

FAMOUS ACTORS READY FOR WINTER SEASON

E. H. Southern and Julia Marlowe, the two famous actors who are known throughout the world arrived on the S. S. Aquitania in time for the winter season. They are almost always seen in Shakespearean roles and are noted for their talent of love-making on the stage.

THE NEW "KING" OF HUNGARY AND HIS FAMILY

Admiral Nicholas von Horthy, of Nagybanja, with his family. Photo made at the Royal Palace of Golló, formerly the residence of the late Emperor Francis Joseph. The Admiral has all the powers of a king and has the title of His Highness. It seems most probable that he will eventually be chosen king and become the first of the people's rulers. Left to right: Nicholas Horthy, Jr., Admiral Nicholas Horthy, Mrs. Horthy, Stephen and Margaret.
